

KIX rolls out new app service “WAmazing” Helping foreign visitors enjoy comfortable stay in Japan

Kansai Airports is pleased to announce that we will be launching new app service called “WAmazing” at KIX for foreign visitors. Upon arrival at KIX, travelers who have registered on the WAmazing app will be able to get a free SIM card that provides convenient Internet access. With this service, they can search, book and purchase accommodation, tourist activities and transportation services in Japan. The app will also offer other useful information, including pre-order details of KIX Duty-Free Shop and discount information of currency exchange stores directly operated by Kansai Airports.

WAmazing Inc. has launched already the service to travelers from Taiwan and Hong Kong which presents 3.4 million passengers* per year at KIX and they plan to expand their service to travelers from East Asia also. With the launch of WAmazing service, foreign visitors will have more comfortable and enjoyable stay in Japan. Kansai Airports will seek to deliver the best possible services to ensure more exciting and comfortable travel experiences for our customers.

Shaping a New Journey

As of April 1, 2016, Kansai Airports succeeded the operating rights of Kansai International Airport ("KIX") and Osaka International Airport ("ITAMI") from New Kansai International Airport Company ("NKIAC") and commenced business as an operating company for the two airports. Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports shares the common goal of maximizing the potential of the Kansai International Airport and Osaka International Airport, improving services to passengers and ensuring the highest levels of safety and security, investment to enhance safety, convenience and comfort to increase value, as well as enhancing community relations in the neighborhoods of the airports and benefiting the Kansai regional economy. On December 15, Kansai Airports signed a concession contract with the New Kansai International Airport Company ("NKIAC") for an operating period of 44-years.
