

## KIX opens business jet facility Premium Gate Tamayura -Creating seamless travel experience with quality services-

Kansai Airports is delighted to announce that dedicated business jet facility Premium Gate Tamayura will open on June 15 in Terminal 2 Domestic at Kansai International Airport. Along with dedicated security checkpoint and CIQ (customs, immigration and quarantine), the new amenity is equipped with a drop-off and pick-up area, car park, a meeting room, a reception desk and a lounge. Upon its launch, the facility will enable business aviation passengers, who are currently using general immigration facilities in Terminal 1, to enjoy smoother screening process with a higher level of privacy.

Business jet demand, backed by ever-increasing travel demand from foreign tourists, is expected to grow further in the run-up to upcoming international events such as the G20 Osaka summit (2019), Rugby World Cup (2019), World Masters Games (2021) and hopefully World Expo (2025).

Kansai Airports is committed to giving all its passengers a relaxing and enjoyable experience in a safe and secure environment.

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
