

## Nepal Airlines to launch new service from KIX to Kathmandu - The only direct flight to Nepal from Japan -

Kansai Airports is delighted to announce that Nepal Airlines (RA) will launch three-weekly flights between Kansai International Airport (KIX) and Kathmandu on July 4, 2019.

The national flag carrier of Nepal will be offering services to KIX for the first time in 12 years since the winter schedule in 2006.

Kathmandu is the capital city of Nepal which lies between India and China. The country is a popular tourist destination with Mount Everest, the Himalayas and four World Heritage Sites including Lumbini – the birthplace of Buddha.

The revived route will be the only direct service linking Japan to Nepal and is expected to enhance access to South Asia.

Kansai Airports is committed to further expanding the aviation network to deliver more convenient and comfortable travel experiences for all airport guests.

- Launch Date  
Thursday, July 4, 2019

KIX ITAMI KOBE

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
