

Street piano to arrive at KOBE

- Come and enjoy live performance by Kobe City Chamber Orchestra violinist and chorus group members! -

Kansai Airports Kobe and Kobe City are delighted to announce that a street piano will be set up in the terminal building of Kobe Airport to bring more joyful moments with music to airport guests. Previously used in Kobe Municipal Seifu Kindergarten, closed on March 31, 2019, the piano will be available for everyone to freely play or enjoy the sound in the unique setting of an airport against a backdrop of aircraft and the runway. On the day the piano arrives, a free concert will take place. Kansai Airports Group is committed to exploring ways to create new travel experiences, making each journey full of smiles.

Shaping a New Journey

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“Kobe”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
