

## 2019 Cleaning Contest to be held at KIX!

Kansai Airports today announced that 2019 Cleaning Contest will take place at Kansai International Airport (KIX) on November 7, 2019.

The contest, marking the second time this year, aims to raise awareness of the importance of cleaning services among staff and enhance the cleaning performance. Eight representatives from cleaning companies undertaking the services at the airport will participate in the contest to compete on performance and quality. Their skills developed and honed through their day-to-day work will be tested and showcased.

Cleaning services at an airport play an important role in keeping terminals clean and comfortable as well as giving passengers a positive impression of the airport.

By working to enhance the cleanliness and convenience of its airports from the passengers' perspective, Kansai Airports is committed to providing an enjoyable and comfortable travel experience for all airport guests.
