

Kobe Airport's 14th anniversary event to be held

Kansai Airports Group is pleased to announce that a special event will take place at Kobe Airport on February 16, 2019 to celebrate the 14th anniversary of the airport's opening.

On the day of the event, there will be plenty of entertainment for everyone to enjoy from children to adults. Event packages include tourism booths of the airport's destinations—including the cities newly connected in 2019—and fun activities hosted by airlines. Guests can also take bus tours to the areas that are usually off-limits to the public. Special sweets will be offered too in celebration of the 14th anniversary.

Always committed to creating a new travel experience, Kansai Airports Group hopes to put a big smile on the face of all guests at the event!

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
