

ITAMI ranked world's top punctual airport in Large Airports category for third straight year!

Kansai Airports is proud to announce that Osaka International Airport (ITAMI) was named the world's most punctual airport in the Large Airports category¹ of OAG Punctuality League 2020² published by OAG Aviation Worldwide Limited (OAG), an air travel information company based in the UK.

The feat, which the airport achieved for three years in a row, is a testament to the efforts of the airlines at ITAMI to maintain on-time performance in their day-to-day operations as well as initiatives carried out at the airport to promote Fast Travel including the installation of Smart Lanes.

Kansai Airports together with its partners is committed to improving on-time performance to provide a comfortable travel environment for our passengers.

Trophy & certificate awarded from OAG at ITAMI on January 31, 2020

OAG Punctuality League 2020, Large Airports category

Rank	Airport	Country/Region	OTP
1	Osaka International Airport	Japan	88.03%
2	Pulkovo Airport	Russian Federation	87.16%
3	Daniel K. Inouye International Airport	USA	86.82%

^{*1} OAG Punctuality League 2020: The league compares flights records covering the 2019 calendar year to create a ranking of the best on-time-performance (OTP) for airlines and airports by category. The ranking is based on the proportion of scheduled flights that arrived or departed within 14 minutes and 59 seconds (under 15 minutes) of their scheduled times.

^{*2} Large Airports category: Airports with departing scheduled seats between 10 million and 20 million per annum.

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
