

KIX to open 24-hour Café Lounge

- Lawn area and other space offering a moment of comfort to visitors -

Kansai Airports is excited to announce the opening of KIX Airport Café Lounge *NODOKA* in Aeroplaza at Kansai International Airport (KIX) on April 30, 2021.

Designed under the concept of "a cozy place like a tree branch for perching birds", the light-filled lounge in natural color offers calm and relaxing space for all users.

Operating 24/7, the lounge has a variety of seating options which cater to the diverse needs of airport visitors, such as enjoying a pre-boarding coffee break, working on a computer during a business trip, taking a quick nap when traveling on a red-eye or early morning flight, and refreshing themselves with a shower before or after a flight. The lawn space is perfect for customers who want to stretch out and relax, including those with small children.

Kansai Airports will continue to boost convenience and improve services to provide comfortable and exciting travel experiences for airport guests.

Shaping a New Journey

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBÉ”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
