

Groundbreaking ceremony held for KIX T1 Renovation Project

Kansai Airports today announced that a groundbreaking ceremony was held at Kansai International Airport (KIX) on Friday, May 28, 2021, to pray for the safety and success of the KIX Terminal 1 (T1) Renovation Project.

The renovation project, which mainly aims at expanding international capacity and improving passenger experience at KIX, officially started today so that the main functions of the airport will be ready for use in time for the Osaka-Kansai Expo 2025.

The groundbreaking ceremony was attended by Kansai Airports, the airport's administrator, and other stakeholders. After the chief priest of Kishiki Shirine offered prayers for the safety, the groundbreaking ritual was performed.

Putting safety as top priority, Kansai Airports will proceed with the project in cooperation with all stakeholders to enhance the functions of KIX, the gateway to the Kansai region.

T1 Renovation Schedule

- May 28, 2021: Start the renovation works on a full scale
- Autumn 2022: Open the new domestic area on the 2nd floor
- Winter 2023: Open the central zone of the international departure area on the 2nd floor
- Spring 2025: Open the new security screening area on the 4th floor and the international lounges on the 3rd floor
 - *Main airport functions will be completed.
- Autumn 2026: Open the north and south commercial facilities in the international departure area on the 2nd floor
