

Join ITAMI Runway Walk at ITAMI

Kansai Airports is excited to announce a unique opportunity to walk on the runway at Osaka International Airport (ITAMI) on October 2, 2021.

Following the huge success of the previous event in 2019, the second ITAMI Runway Walk aims to deepen a connection between the airport and the local community as part of the *Sky Season* initiative. Open to elementary and junior high school students with their guardians, the event will allow participants to walk on the runway, which is usually off limits to the public, take pictures and see up close a demonstration of the chemical fire engine releasing water.

Kansai Airports Group will continue to deliver exciting events to boost the appeal of the airports and the joy of travel to a wider group of people.

Event outline

- Date & time: Saturday, October 2, 2021, from 4:00 to 6:50
- Location: Restricted area of ITAMI
- Eligible participants: Elementary and junior high school students with their guardians who live in the vicinity of ITAMI
- Organizer: Kansai Airports
- Supporter: Japan Airlines, All Nippon Airways
- Notes:
- The event is subject to change or cancellation due to weather conditions, facility operations and other unforeseen circumstances.
 - Strict COVID-19 safety measures will be in place.

Runway Walk in 2019

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.

About ORIX:

ORIX Corporation (TSE: 8591; NYSE: IX) is a financial services group which provides innovative products and services to its customers by constantly pursuing new businesses.

Established in 1964, from its start in the leasing business, ORIX has advanced into neighboring fields and at present has expanded into lending, investment, life insurance, banking, asset management, automobile related, real estate and environment and energy related businesses. Since entering Hong Kong in 1971, ORIX has spread its businesses globally by establishing locations in 31 countries and regions across the world.

Going forward, ORIX intends to utilize its strengths and expertise, which generate new value, to establish an independent ORIX business model that continues to evolve perpetually. In this way, ORIX will engage in business activities that instill vitality in its companies and workforce, and thereby contribute to society. (As of March 31, 2021)

VINCI Airports, the leading private airport operator in the world, manages 45 airports in 12 countries in Europe, Asia and the Americas. We harness our expertise as a comprehensive integrator to develop, finance, build and operate airports, while leveraging our investment capability and expertise in optimising operational performance, modernising infrastructure and driving environmental transition. VINCI Airports became the first airport operator to start rolling out an international environmental strategy, in 2016, with a view to achieving net zero emissions throughout its network by 2050.
