**“Fly to Kansai” travel promotion event for Tokyo area
to be held on July 9 at Ikebukuro Sunshine City**

Kansai Airports is pleased to announce the holding of an event “Fly to Kansai” on Saturday, July 9, 2022 at Fountain Plaza of Sunshine City in Ikebukuro, Tokyo.

The event will be held in cooperation with airlines operating at Kansai International Airport (KIX) and the Osaka Convention and Tourism Bureau, with the aim of promoting travel from the Tokyo metropolitan area to the Kansai region amid growing expectations of recovery in domestic air traffic in the future.

Participants will enjoy visiting airlines’ booths and shopping aviation-inspired products. The event will also feature the new domestic area of KIX Terminal 1 which is set to open in autumn 2022.

Kansai Airports Group will continue to deliver exciting campaigns in a bid to spread the appeal of the airports and their destinations to a broader range of people.

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
