

## “Nintendo Check In” will open! Get hands-on experience of Nintendo games at KIX

Kansai Airports announces that “Nintendo Check In” will open on June 23, Friday, in the promotion space on 1st floor of Terminal 1, where customers can have hands-on experience of Nintendo’s popular games like Nintendo Switch™ for free of charge. In addition, Nintendo’s popular game characters like Mario will be decorated along the south and north international arrival routes at Terminal 1. Foreign visitors will be welcomed by the Mario Family at various spots from the moment they set foot in the airport until they exit the terminal.

To continuously promote Japan’s products, services and culture, Kansai Airports will make every effort to offer new and exciting experiences to our customers.

## Shaping a New Journey

As of April 1, 2016, Kansai Airports succeeded the operating rights of Kansai International Airport ("KIX") and Osaka International Airport ("ITM") from New Kansai International Airport Company ("NKIAC") and commenced business as an operating company for the two airports. Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports shares the common goal of maximizing the potential of the Kansai International Airport and Osaka International Airport, improving services to passengers and ensuring the highest levels of safety and security, investment to enhance safety, convenience and comfort to increase value, as well as enhancing community relations in the neighborhoods of the airports and benefiting the Kansai regional economy. On December 15, Kansai Airports signed a concession contract with the New Kansai International Airport Company ("NKIAC") for an operating period of 44-years.
