

AnyFone Japan store to open providing prepaid mobile phones, SIM cards and rental pocket WiFi

- Comfortable travel experiences with popular Hello Kitty Phone and many other items! -

Kansai Airports is delighted to announce that AnyFone Japan, a store providing prepaid mobile phones, SIM cards and rental pocket WiFi routers, will open on the international arrival floor (1st floor) of KIX T1 on Wednesday, November 8, 2017.

AnyFone Japan will offer not only prepaid SIM cards and pocket WiFi routers but also a wide range of products exclusively sold by its operator GSM Rentafone such as Hello Kitty Phone featuring the internationally popular Hello Kitty character. Some of its SIM cards allow users free access to popular SNS (Facebook, Wechat, WhatsApp, Kakaotalk and LINE), allowing them to be able to collect information and share their exciting travel experiences easily and instantly. AnyFone Japan's service will provide inbound travelers with a comfortable Internet access environment during their stay in Japan.

Kansai Airports is committed to offering our customers a more comfortable and enjoyable travel experience in an exciting store environment.

About the store

GSM Rentafone provides rental and prepaid telecommunication services mainly for foreign visitors and departing Japanese travelers. The company has over 30 years' business experience in six countries across the Pacific rim. In addition to the existing two counters of SoftBank's official rental telecommunication service called SoftBank Global Rental, the first counter of AnyFone Japan, GSM Rentafone's telecommunication service brand, will be launched at KIX T1. The brand name of AnyFone JAPAN expresses their desire to connect people of any nationality, generation or gender through better communication wherever and whenever it is needed. Friendly and knowledgeable staff will be there to attend to customers.

Location

International Arrival Area on the first floor of Terminal 1
