

Jeju Air to launch KIX-Guam and KIX-Cheongju routes, expanding its network even further

Kansai Airports is excited to announce that Jeju Air will launch new service from Kansai International Airport (KIX) to Guam and Cheongju with weekly scheduled flights, beginning Saturday, July 21, 2018.

Jeju Air is a South Korea-based low-cost carrier, currently serving 63 flights per week from KIX to Seoul (Incheon and Gimpo), Busan, and Muan. With the additional new routes, the airline will be the most frequent foreign operator at KIX, offering 76 flights per week.

Kansai Airports continues to expand its air network to provide all its guests with convenient, comfortable and enjoyable travel experiences.

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
