

Jeju Air to move to Terminal 2 of Kansai International Airport from Thursday, November 1, 2018

Kansai Airports hereby announce that Jeju Air (7C) will be transferred to Terminal 2 (International), LCC terminal, of Kansai International Airport starting from Thursday, November 1, 2018.

Jeju Air, Korean LCC, currently operates 66 flights per week between Seoul (Incheon/Gimpo), Busan and Muan. The company is also planning to open Cheongju and Guam route starting from Saturday, July 21.

Since its opening last January, Terminal 2 (International) has been used by Peach Aviation and Chinese LCC Spring Airlines, and Jeju Air will be the third airline company to operate in the Terminal.

Kansai Airports is committed to enhancing the convenience of customers and creating comfortable and enjoyable journey.

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
