

KIX opens second Pokémon Store in Terminal 1 - To better entertain and serve foreign travelers -

Kansai Airports will open its second Pokémon Store on Level 3, Terminal 1 at KIX on August 13, 2018. The new store showcases 1,000 types of Pocket Monster goods—carefully selected from over 4,000 items sold at Pokémon Center, the official shop of the Pokémon franchise.

The overwhelming popularity of the first shop—opened in June 2014—among both domestic and international passengers alike has led to the opening of the second outlet. In the new 68-square-meter space—twice the space of the first store, shoppers can enjoy a diverse lineup of products, including KIX-limited Pilot and Flight Attendant Pikachu plush toys.

Kansai Airports is committed to providing a comfortable and enjoyable travel experience for airport guests by continuing to offer exciting shopping options.
