

KIX welcomes 3rd KOKUMIN DRUG store to Terminal 1 offering popular items for foreign visitors!

Kansai Airports is pleased to announce the opening of KOKUMIN DRUG at Kasai International Airport (KIX), offering airport guests and travelers healthcare solutions in times of need, including cold medicines, motion sickness remedies, travel-sized cosmetics, baby diapers, feeding bottles and many more.

Drugstores have been one of the most popular shopping spots in Japan among foreign travelers seeking Japanese medicines, cosmetics and daily necessities. Located on Level 3 of Terminal 1, the third KOKUMIN DRUG store, also the sixth drugstore at KIX, will curate top-selling products among foreign visitors at its main stores in Osaka and other cities and cater to the various needs of both Japanese and non-Japanese customers.

Kansai Airports is committed to providing a comfortable and enjoyable travel experience for airport guests by continuing to offer exciting shopping options.

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
