

T1 North reopening targeted for September 21

Kansai Airports today announced that we aim to reopen the north area of Terminal 1, Kansai International Airport (KIX) on September 21, following the reopening of the south area (tentative operations) on September 14.

Reopening date: Friday, September 21, 2018

*The schedule is tentative and subject to change.

Area to reopen: Terminal 1, North Area

*With the reopening of T1 North, the entire Terminal 1 will be in operation.

Flight details: To be determined
