[Message from Sugi Bee Garden]

We have a 72-year history of honey making and are happy to open a directly-managed store at KIX. Our aim is to provide a relaxing space for travelers to sit and enjoy honey drinks and soft serve ice creams before their flights. We also offer various shopping options suitable for gifts such as fruit juice infused honey and pure honey made inhouse.

Location: Dining Court Machiyakoji, Terminal 1 (Level 2)

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
