

ITAMI ranked world's top punctual airport in Large Airports category for second year in a row!
- Strong teamwork of airport staff led to high OTP -

Kansai Airports is proud to announce that Osaka International Airport (ITAMI) was named the world's most punctual airport in the Large Airports category¹ of OAG Punctuality League 2019² published by OAG Aviation Worldwide Limited (OAG), an air travel information company based in the UK.

This achievement is driven by the efforts of airlines at ITAMI to maintain on-time performance in day-to-day operations as well as our Fast Travel initiatives such as installation of Smart Lanes.

Kansai Airports is committed to improving on-time performance to provide a comfortable travel environment for our passengers.

Trophy & certificate awarded from OAG at ITAMI on March 15, 2019

OAG Punctuality League 2019, Large Airports category

Rank	Airport Name	Country/Region	OTP
1	Osaka International Airport	Japan	88.22%
2	Daniel K. Inouye International Airport	Honolulu, USA	87.67%
3	Presidente Juscelino Kubitschek International Airport	Brazil	86.08%

*1 Large Airports category

Airports with departing scheduled seats between 10 million and 20 million per annum.

*2 OAG Punctuality League 2019

The league compares flights records covering the 2018 calendar year to create a ranking of the best on-time-performance (OTP) for airlines and airports by category. The ranking is based on the proportion of scheduled flights that arrived or departed within 14 minutes and 59 seconds (under 15 minutes) of their scheduled times.

KANSAI AIRPORTS

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
