

ISSEY MIYAKE's two signature brands to debut in post-security area of KIX

PLEATS PLEASE ISSEY MIYAKE & BAO BAO ISSEY MIYAKE

Kansai Airports today announced that a store selling PLEATS PLEASE ISSEY MIYAKE and BAO BAO ISSEY MIYAKE brands will open in the international boarding area in Terminal 1 of Kansai International Airport (KIX) on April 25, 2019.

PLEATS PLEASE ISSEY MIYAKE offers a collection of clothes that are a product in themselves, made with a unique *garment pleating* technique where pleats are added after sewing the clothes into shape. The clothes combine functionality—they're light and wrinkle-proof, they don't need to be dry-cleaned, and they can be folded to a compact size for easy storage and carrying—with versatility that makes them suitable for all settings. Comfortable and beautiful too, these clothes have become deeply entrenched in the daily lives of modern women.

BAO BAO ISSEY MIYAKE delivers a unique bag collection. Iconic triangular pieces are arranged to create infinite versatile shapes in this bag brand with an innovative concept and production method. The pieces change flat surfaces into three-dimensional ones, creating a new form. This brand brings serendipitous beauty, fun and surprises to the user, along with practicality that makes these bags suitable for all kinds of settings.

At the new store, guests can choose from a wide range of shopping items including travel essentials and souvenirs. Kansai Airports is committed to creating a unique and exceptional experience for all its guests.

KIX ITAMI KOBE

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
