

**TV documentary featuring KIX to be broadcast to 160 countries
- One Day at KIX commemorating 25th anniversary -**

Kansai Airports is excited to announce that a television program featuring Kansai International Airport (KIX) titled 'The Beautiful Airport: Round-the-clock Airport' will be broadcast worldwide.

KIX, Japan's first round-the-clock international airport, marked the 25th anniversary of its opening on September 4 and is now connected with 17 cities in the country and 73 cities around the world, serving nearly 30 million passengers annually.

The upcoming television program commemorating the airport's 25th anniversary will be broadcast to 308.6million households in 160 countries and regions across the globe.

To make the airport as a destination in itself, Kansai Airports Group is committed to creating a safe, comfortable and pleasant travel experience for all guests.

International departure gates in Terminals 1 (10 locations)

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
