

## Juneyao Airlines to launch four new routes in 2019 winter flight schedule

Kansai Airports is excited to announce that Juneyao Airlines will add four new routes on October 27, 2019, connecting Kansai International Airport (KIX) to Harbin, Wuhan, Wenzhou and Changzhou.

The Shanghai-based airline has entered its sixth year of operation at KIX. And the new flights set to be launched in the upcoming winter flight schedule will bring the total number of destinations offered from the airport to seven including existing services to Shanghai, Nanjing and Changsha. In particular, the addition of nonstop service to Changzhou, a brand-new destination for KIX, is expected to attract more Chinese tourists to Japan.

Kansai Airports remains committed to offering an extensive network of destinations and a more convenient and comfortable passenger experience for all its guests.

- Launch Date  
Sunday, October 27, 2019
- Flight Schedule

KANSAI AIRPORTS

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
