

## Shenzhen Airlines to launch KIX-Nanchang service

Kansai Airports today announced that Shenzhen Airlines (ZH) will launch daily flights between Nanchang and Kansai International Airport (KIX) beginning October 27, 2019.

Based in Shenzhen, China, the airline has offered flights connecting the airport with Shenzhen, Wuxi, Beijing and Nantong. The new service will make the total routes operated by the carrier from China to KIX to five.

Thriving as the capital of Jiangxi Province, Nanchang is the region's industrial center. The launch of the new route is expected to boost air traffic demand to and from the city even further.

Kansai Airports will continue to expand the aviation network to deliver a more convenient and comfortable travel experience for all airport guests.

- Launch Date  
Sunday, October 27, 2019

- Flight Schedule

Destination	Flight No.	Schedule (local time)	Frequency

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
