

Sichuan Airlines to launch two weekly scheduled cargo flights on Nantong-KIX-Chengdu route

Kansai Airports is delighted to announce that Sichuan Airlines started cargo flights operation from Nantong to KIX and from KIX to Chengdu on December 9, 2019.

The Chinese Chengdu-based carrier chose KIX as the very first destination in Japan for their scheduled cargo flights in addition to the passenger flights they have been serving to and from Chengdu and Xi'an. The new launch of cargo operation is expected to accommodate actively growing air transport demand between Japan and China.

Kansai Airports will continue to expand its cargo carrier network for greater convenience of cargo owners and freighters while striving to contribute to the economic development of Kansai and destination cities.

- Launch Date:
Monday, December 9, 2019

KIX ITAMI KOBE

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
