

## Kansai Airports & J-AIR to hold *ITAMI Sora No Ichi*

- Fresh produce from six Tohoku prefectures & Niigata to arrive at ITAMI! -

Kansai Airports is delighted to announce that *ITAMI Sora No Ichi*, or a pop-up market, will be held in collaboration with J-AIR Corporation at Osaka International Airport (ITAMI) on November 23, 2020.

Based at ITAMI, J-AIR operates an extensive route network, connecting Osaka to cities large and small across Japan. The regional commuter airline promotes the revitalization of regional economies through its activities such as introducing local specialties in flight and participating in local events. As part of this effort, J-AIR has decided to collaborate with ITAMI to provide an opportunity for airport customers to buy fresh produce and specialties that are transported by air from Niigata and six prefectures (Aomori, Akita, Iwate, Yamagata, Miyagi and Fukushima) in Tohoku, destinations linked to ITAMI.

The market will carry a variety of fresh fruit, vegetables and local specialties, including apples, pears, strawberry, newly harvested rice, taros, and *Iburigakko* (Japanese smoked pickles). Come enjoy fresh seasonal produce at ITAMI!

Kansai Airports will continue to create a new travel experience by holding exciting events for all customers.
