Kansai Airports today announced that KIX DUTY FREE Central will open in the international post-security area in Terminal 1 at Kansai International Airport (KIX) on December 18, 2020.

The shop is designed to meet the diverse needs of domestic and international customers, offering a rich variety of high-class, prestige cosmetics and perfumes that are first in Japan's airport duty-free and first in KIX, as well as highly luxurious and most sought-after liquors in the world. Also, Cocokara Fine, a drug store previously located in the south area, will open within KIX DUTY FREE Central, enhancing the convenience of access for passengers departing from the north and south area.

Furthermore, the former pick-up points for pre-order items at KIX DUTY FREE Main Shop North and South will be consolidated into a dedicated pick-up counter that is set to be newly installed within KIX DUTY FREE Central. With this, customers can smoothly pick up pre-order items without queuing up at the checkout, which will allow more effective use of time before departure.
