

Kobe Airport to celebrate its 15th anniversary - Anniversary and passenger appreciation events to be held -

Kansai Airports is pleased to announce that, in celebration of Kobe Airport's 15th anniversary on February 16, it will host an anniversary event in Kobe Harborland *Umie* and at Kobe Airport on March 20 and 21.

On the event days, Kobe Harborland *Umie* will offer plenty of entertainment for everyone to enjoy, from children to adults. There will be various booths and workshops run by airlines as well as a digital stamp rally, in which participants who collect stamps at different locations will receive a small gift. Booths promoting local products and tourism will also be set up by the airport's destinations, including Hanamaki, a city in Iwate Prefecture which will be connected to Kobe from March 28. Meanwhile, at Kobe Airport, airport bus tours will be organized to take visitors to the areas that are usually off-limits to the public.

Furthermore, ahead of the anniversary event, five airlines operating at Kobe Airport will gather together to greet departing passengers on March 19 to express their gratitude to passengers using the airport over the past 15 years.

Kansai Airports Group will continue to offer exciting events for its guests to deliver the charm of the airport and its destinations.

Shaping a New Journey

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.

VINCI Airports, the leading private airport operator in the world, manages 45 airports in 12 countries in Europe, Asia and the Americas. We harness our expertise as a comprehensive integrator to develop, finance, build and operate airports, while leveraging our investment capability and expertise in optimising operational performance, modernising infrastructure and driving environmental transition. VINCI Airports became the first airport operator to start rolling out an international environmental strategy, in 2016, with a view to achieving net zero emissions throughout its network by 2050.
