J-AIR aviation learning session in ITAMI and Osaka Monorail rail yard tour

J-AIR Co.,Ltd. (J-AIR), Osaka Monorail Co., Ltd. (Osaka Monorail) and Kansai Airports today announced the holding of J-AIR aviation learning sessions and Osaka Monorail rail yard tours on May 22, 28 and June 19,2022.

As part of their efforts to revitalize the Kansai region, this time, the three companies are jointly holding an event designed to bring the airport and aviation closer to the public and to entertain anyone who loves airplanes, monorails and other vehicles. Participants will enjoy a bus ride on the airport service road alongside the runways and a tour of the airport fire station, all of which are usually off-limits to the public. What is more, at the airport, an aviation learning session will be given by an actual cabin crew members using real aircraft. In Osaka Monorail's rail yard tour, where visitors can see up close maintenance cars and railroad switches in operation and watch train wash from inside the car.

Do not miss out on this rare opportunity to explore the usually inaccessible areas.
