

ITAMI Runway Walk to be held at Osaka International Airport

Kansai Airports today announced that the ITAMI Runway Walk will be held at Osaka International Airport (ITAMI) on July 9, 2022.

This is our third runway walk event at ITAMI and it aims to give an opportunity for elementary and junior high school students to feel familiar with ITAMI and deepen their understanding of the operation of the airport and aircraft by walking on the runway before operation. In the event, attendees will be given a rare opportunity to walk on the airport runway, take photos, and watch water spraying by chemical fire engines at the airport fire station.

By promoting fun and enjoyable events, Kansai Airports Group will continue to deliver the attractiveness of the airports and offer an exciting travel experience for all airport guests.

ITAMI Runway Walk Overview

Date & time: Saturday, July 9, 2022 (Light rain or shine)

KANSAI AIRPORTS

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
