

Emergency drill to be held at KIX aircraft fueling facilities

Kansai Airports will carry out an emergency exercise at the Fueling Center in Kansai International Airport (KIX) on June 24 simulating that a massive earthquake has affected the airport's aircraft fueling facilities.

The drill is held annually to achieve quick and appropriate response in the wake of an earthquake, foster coordination with relevant organizations, enhance the response structure and raise awareness of disaster prevention.

Kansai Airports will continue to strive to maintain the safety of travel and create a safe traveling environment for airport users.

Date: Friday, June 24, 2022 from 2:00 pm to 3:00 pm (June 28 in the case of heavy rain)

Location: KIX Fueling Center (aircraft fueling facility)

Organizer: Kansai Airports

Participating Organizations: Senshu-Minami Fire Department
Osaka Prefecture
Kansai Airport Coast Guard Air Station
Kansai Airport Police
Kansai Airports Operation Services
Kansai Airports Technical Services

Number of participants: 100 (on-site participants)

Program: (1) Victim information sharing and initial response
(2) Emergency communication and call
(3) Rescue
(4) Evacuation guidance (emergency vehicle guiding)
(5) Prevention and removal of oil spillage
(6) Initial firefighting
(7) Prevention of fire spreading
(8) Evacuation guidance for staff of neighboring facilities and road closure
(9) Information sharing and communication with Osaka Prefecture

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
