

KIX Summer vacation special event "Parent-child Environment Tour"

Kansai Airports is excited to announce that a special summer vacation event called "Parent-child Environment Tour" will be held for elementary school students and their parents who live in the area around Kansai International Airport on Friday, August 5, 2022.

Kansai Airports is implementing various measures for the environment and SDGs, including reducing CO2 emissions. This event is a field trip focused on environment-related facilities at KIX, such as a mega solar power plant and a hydrogen station. We have prepared contents that children can enjoy learning as a research project during the summer vacation.

Kansai Airports Group will continue to develop airports that are friendly to people and the environment. We will hold various activities that are enjoyable for everyone to share the charm of airports and travel.

- Date and time: Friday, August 5, 2022 13:00 - 16:30

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
