

Kobe Airport to Hold a Winter Event

Kansai Airports Kobe will organize a special Christmas event and winter illumination at Kobe Airport. The special Christmas event to be held in the terminal building on Sunday, December 25 will be an amusing collaboration of ballet and music. Visitors will be able to enjoy the performance of violin, flute and piano, as well as a spectacular ballet performance by a Ukrainian ballet dancers. In addition to decorating the observation deck, a Christmas tree will be set up in the free space on the 3rd floor and the street piano will be decorated as a part of the winter illumination, to create a winter season atmosphere. Furthermore, a social media campaign using the decorated street piano will be launched. Kansai Airports Group will create new travel experiences through promoting enjoyable initiatives to our customers.

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
