Jetstar Airways to launch flights between Kansai and Sydney!
- The only low-cost carrier to directly connect the two destinations. -

Kansai Airports is delighted to announce that Jetstar Airways (JQ) will fly three times a week between Kansai (KIX) and Sydney (SYD) from Monday, April 1, 2024.

Sydney is the biggest city in Australia, known for its tourist attractions such as the Sydney Opera House, and is one of the most popular destinations for Japanese travelers. It is the third destination in Australia to have direct flights flying to and from KIX, following Cairns and Brisbane.

Kansai Airports Group will continue to expand its air network to create comfortable and enjoyable travel experiences while enhancing customer convenience.

Start date:

Monday, April 1, 2024

Schedule:

Flight number	Service period	Schedule (local time)				Frequency

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport ("KIX") and Osaka International Airport ("ITAMI") from New Kansai International Airport Company ("NKIAC") and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports' wholly-owned subsidiary, took over the operations of Kobe Airport ("KOBE") from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of "One Kansai Airports Group", Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
