"Look-around tour by KAP and Immigration for kids and parents!"

- To celebrate the opening of the KIX new international area -

Kansai Airports and Kansai Airport Branch of the Osaka Regional Immigration Services Bureau are pleased to announce the event "Look-around tour by KAP (Kansai Airports) and Immigration for kids and parents!" for elementary school kids and their parents/guardians living around Kansai International Airport (KIX).

A lot of passenger traffic has returned to KIX with the end of the COVID-19 pandemic. The Immigration is responsible for passport control of all passengers who board international flights to and from KIX. In this hands-on program, kids can learn with their parents the work of the Immigration Services Bureau and the new KIX international area.

Kansai Airports Group will continue to plan events and share information to bring the airports closer to local communities.

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport ("KIX") and Osaka International Airport ("ITAMI") from New Kansai International Airport Company ("NKIAC") and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports' wholly-owned subsidiary, took over the operations of Kobe Airport ("KOBE") from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of "One Kansai Airports Group", Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
