

## China Southern Airlines launches Kansai-Beijing Daxing route!

Kansai Airports is pleased to announce the launch of a new route between Kansai and Beijing Daxing by China Southern Airlines (CZ) on Sunday, April 9, 2023.

With this launch, Kansai International Airport and Beijing Daxing International Airport will be directly connected for the first time. Beijing Daxing International, Beijing's newest international airport, was opened in 2019, and is known for the easy access provided by a direct link between the airport terminal and its train station. The airport will see more and more travelers embrace its great convenience for a multitude of purposes from sight-seeing to businesses.

Kansai Airports Group will continue expanding its airline network to enhance our customers' convenience and create comfortable and enjoyable travel experiences.

KANSAI AIRPORTS

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport ("KIX") and Osaka International Airport ("ITAMI") from New Kansai International Airport Company ("NKIAC") and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports' wholly-owned subsidiary, took over the operations of Kobe Airport ("KOBE") from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of "One Kansai Airports Group", Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
