

Aero K launches their first international flight, the new Kansai-Cheongju route!

Kansai Airports is pleased to announce that Aero K (RF) will commence their new service, the Kansai (KIX)-Cheongju (CJJ) route on Thursday, July 6, 2023.

Aero K is a low-cost carrier (LCC) based in South Korea, and Kansai International Airport will be their first international destination. This new service is expected to stimulate further business and tourism interactions between Japan and South Korea.

Kansai Airports Group will continue to expand our air network and create comfortable and enjoyable travel experiences while improving convenience for our customers.

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport ("KIX") and Osaka International Airport ("ITAMI") from New Kansai International Airport Company ("NKIAC") and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports' wholly-owned subsidiary, took over the operations of Kobe Airport ("KOBE") from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of "One Kansai Airports Group", Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
