

Coast guards/ Firefighters' Event at KIX!

Kansai Airports is delighted to announce the Japan Coast Guard/Airport Firefighting Event at the Observation Hall "SkyView" at Kansai International Airport (KIX) held between Thursday, July 20 and Sunday, July 23. During this period, the Japan Coast Guard will set up a special JCG booth in cooperation with Kansai Airport Coast Guard Air Station and hold events such as the display of the JCG operational panels, a section for children to wear uniforms, and distribution of various brochures. In addition, on Sunday, July 23, as part of a marine safety event, a marine safety class and a marine rescue demonstration will be held by mobile rescuers at the base, as well as a greeting by the JCG mascot character, "Umin".

Furthermore, you can enjoy a fire engine display by the airport fire brigade, which watches over the safety of Kansai International Airport and plays an active role in the daily operation at the airport. You can also experience their water discharge demonstration. Children can try wearing the firefighter's uniforms. "Sorayan," the official character of the Kansai Airports Group, will also join on the same day to cheer on the team. It will be an event where you can experience and deepen your understanding of the work of the Japan Coast Guard and airport fire brigade.

Why don't you start your summer vacation this year by making memories at SkyView, an observation hall where you can enjoy dynamic scenes of aircraft taking off and landing up close? We will hold various other events during the summer vacation period and look forward to welcoming you all.

Kansai Airports Group will continue to create new travel experiences through events that will bring excitement to our customers.
