

Sky Day Festival 2023 to be held at KIX

Kansai Airports is pleased to announce that the Sky Day Festival 2023 will be held on September 23, organized by the KIX Sky Day and Sky Season Committee, to observe Sky Day.

Sky Day began in 1992 with the aim of encouraging more people to understand and be more curious about aviation, with Sky Day on September 20 and Sky Season from September 20 to 30.

On the festival date, there will be exhibitions at booths by participating organizations and other events such as uniform try-on experience, showcase of special vehicles, drug dog demonstrations, and greetings by "Sorayan", official character of Kansai Airports. These are fun events for children as well as adults, so please take this opportunity to come to KIX.

Kansai Airports Group will continue to collaborate with our stakeholders to communicate the attraction of airports and travel.

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport ("KIX") and Osaka International Airport ("ITAMI") from New Kansai International Airport Company ("NKIAC") and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports' wholly-owned subsidiary, took over the operations of Kobe Airport ("KOBE") from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of "One Kansai Airports Group", Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
