

## Qatar Airways to resume the Kansai-Doha route! - Daily service from March 1, 2024 -

Kansai Airports is delighted to announce that Qatar Airways (QR) will resume flights between Kansai and Doha on March 1, 2024.

Qatar Airways currently flies to more than 160 destinations around the globe, and its base airport, Doha Hamad International Airport, is one of the Middle East's leading airports and was named the "World's Best Airport." This direct flight from Kansai International Airport (KIX) to Doha, Qatar, (DOH) is the first in nearly 8 years since 2016. The Kansai-Doha route is expected to bring a lot of transit passengers, with KIX as a gateway connecting Europe and Asia. With the high convenience, this route is expected to boost demand in various areas such as tourism and business.

Kansai Airports will continue to expand our air network and create comfortable and enjoyable travel experiences while improving convenience for our customers.

KANSAI AIRPORTS

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
