

Kobe Airport to hold “Sky Day” Event 2023!

Kansai Airports Kobe is delighted to announce Sky Day Event 2023 to be held on Sunday, October 22 at Kobe Airport to celebrate Sky Day (September 20) and share the moment of joy to explore the airport and learn about aircrafts.

The event will include booths, goods sales, work experience, workshops by airlines, and a bus tour driving around the airfield, which are usually off-limits to the public.

Kansai Airports Group will continue to deliver exciting initiatives in a bid to bringing the charms of airports and aviation to a broader range of people.

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport ("KIX") and Osaka International Airport ("ITAMI") from New Kansai International Airport Company ("NKIAC") and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports' wholly-owned subsidiary, took over the operations of Kobe Airport ("KOBE") from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of "One Kansai Airports Group", Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
