

Thai VietJet to launch a new route connecting KIX, Taipei and Bangkok

Starting from September 27, 2023

Kansai Airports is pleased to announce that Thai VietJet (VZ) will start a new service on the Kansai - Taipei (Taoyuan) - Bangkok (Suvarnabhumi) route from September 27, 2023.

Thai VietJet, based in Bangkok, operates routes connecting Vietnam, Singapore, Cambodia, Taipei and other countries in the Asia-Pacific region. This will be their first service flying via a through-point outside of Thailand. With its reasonable fare, this service is expected to meet not only the business demand but also various others such as tourism.

Kansai Airports Group will continue to expand its airline network to create comfortable and enjoyable travel experiences while improving convenience for our customers.

Operation start date

Wednesday, September 27, 2023

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport ("KIX") and Osaka International Airport ("ITAMI") from New Kansai International Airport Company ("NKIAC") and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports' wholly-owned subsidiary, took over the operations of Kobe Airport ("KOBE") from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of "One Kansai Airports Group", Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
