Cebu Pacific launches the KIX-CEB route, the only direct flight between Kansai and Cebu!

Kansai Airports is pleased to announce that Cebu Pacific (5J) will launch a new service, the Kansai (KIX)-Cebu (CEB) route, on Tuesday, October 15, 2024.

5J operates an extensive network of 35 domestic destinations in the Philippines and a wide range of routes connecting Asia, Australia, and the Middle East to the Philippines. The new service is 5J's second route from KIX to the Philippines, following the Manila route.

With its mild year-round climate, pristine beaches, and beautiful natural environment, Cebu Island is one of the most popular destinations for Japanese visitors.

Kansai Airports Group continues to expand the airline network to enhance our customers' convenience and to create a comfortable and enjoyable travel experience.

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
