KIX Terminal 1 renovation Stores selected for the new commercial area!

Kansai Airports is excited to announce the selection of the stores and restaurant to open in the new commercial area in the phase 3 of the ongoing Terminal 1 (T1) renovation at Kansai International Airport (KIX).

The new commercial area will house the total of 13 restaurant and stores including retail shops, duty-free shops, and other services at the international departure area on the fourth floor, the international arrival area on the third floor, and the food court “Tasty Street” on the second floor.

The T1 renovation will have the grand opening in spring 2025, and when the 2025 Expo Osaka-Kansai opens, KIX will be a gateway to Kansai for visitors from around the globe.

Kansai Airports Group will continue to work on the renovation together with our partners to enhance airport functions of KIX as a gateway to Kansai, with safety and security as the top priorities.

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
