KIX 30th Anniversary Sky Day Festival 2024 to be held

Come and join us to get to know airport and aviation

Kansai Airports is pleased to announce that KIX 30th Anniversary Sky Day Festival 2024, organized by Sky Day and Sky Season Committee of Kansai International Airport (KIX), will be held on Saturday, September 21, 2024.

Sky Day is a commemorative day established in 1992 with the aim of encouraging more people to understand and take an interest in aviation. September 20 is designated as Sky Day, and the period from September 20 to 30 as Sky Season. This event is held to commemorate Sky Day and Sky Season, to promote interest in aviation, and to familiarize people with the airport.

On the day of the event, participating organizations will set up booths and host stage events in the concourse of Kansai Airport Station. Special vehicles, police cars, and fire trucks used at the airport will be on display in the Sky View Observation Hall at KIX, providing something enjoyable for both children and adults.

Kansai Airports Group will continue to collaborate with our partners to deliver the enchantment of airports and travel to more people.

Shaping a New Journey

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
