Integrated LINE account now available for all 3 Kansai airports! Your go-to source for travel information.

Kansai Airports Group is pleased to announce the launch of an integrated official LINE account for our three airports in the Kansai region: Kansai International Airport, Osaka International Airport, and Kobe Airport. This account is available on the LINE communication app operated by LY Corporation starting today.

Our goal is to enhance customer convenience and elevate the travel experience by providing a wide range of useful information for airport users. This includes updates on events and campaigns, sightseeing tips, and facility guides of each airport.

To celebrate the launch, we will host a campaign where participants can win digital gifts. This campaign will run until October 21, 2024.

Kansai Airports Group remains committed to enhancing our services to ensure a more convenient and comfortable airport experience for all our customers.

Shaping a New Journey

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBÉ”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
