## “Sky Day Event 2024” at Kobe Airport!

Kansai Airports Kobe is excited to announce the Sky Day Event 2024 on October 20 at Kobe Airport, observing the Sky Day on September 20, and invites you to explore and learn about the airport and aircraft.

The airlines operating at Kobe Airport will set up exhibition booths, offer various goods and workshops, provide various opportunities, such as, to experience airport jobs as well as a bus tour around the airport and airfields that is usually off-limits to public.

Kansai Airports Group is continuously working to share the charms of the airports and the aviation with our customers through exciting initiatives and events.

  - The number of participants in each event may be restricted depending on congestion.
  - Details of the events are subject to change without any prior notice.
  - Events may be changed or cancelled due to weather conditions or other reasons for facility management and operation.

## Shaping a New Journey

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
