Winter lights at three airports in Kansai Airports to be decorated with lights and Christmas trees

Kansai Airports Group is pleased to announce that Kansai International Airport (KIX), Osaka International Airport (ITAMI), and Kobe Airport (KOBE) will be decorated with winter lights and holiday displays.

During this event, ITAMI and KOBE will be lit up with winter lights to create a spectacular winter evening. For the Christmas season, Christmas trees and other decorations will adorn each airport, giving visitors a feel of the festive season. We hope you will enjoy your time at our airports with the decorations you can only see in this season.

Kansai Airports Group will continue its efforts to bring the charm of the airports and travel to as many people as possible through enjoyable seasonal events for customers and local residents.

Shaping a New Journey

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka International Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
