Revision of Passenger Service Facility Charges (PSFC) at Kansai International Airport Terminal 1

Kansai Airports announces that the Passenger Service Facility Charges (PSFC) at Kansai International Airport Terminal 1 (KIX T1) will be revised, effective Tuesday, April 1, 2025.

We use PSFC to offer services in departure and arrival areas, and to develop and maintain various facilities for passengers to use the terminal more safely and comfortably.

The revision is due to the grand opening of KIX T1 in the spring of 2025, currently undergoing renovation, and the recent cost increase, such as in energy, labor, and others.

Kansai Airports Group will continue to operate convenient facilities and create new and more comfortable travel experiences for our customers.

Revision date

Tuesday, April 1, 2025

Target and collection method

Applicable: Passengers using KIX T1 on or after Tuesday, April 1, 2025

*Passengers whose tickets are issued on or after Tuesday, April 1, 2025
