Spring break airport tour at Osaka Itami Airport!
- Special tour for elementary school students and their families -

Kansai Airports is pleased to announce the Family Airport Tour to be held at Osaka Itami Airport on Friday, March 28, 2025.

Targeting elementary school students and their families, this event aims to create a positive connection and an affinity between the participants and the Osaka Itami Airport during spring break. On the day of the event, participants will have the opportunity to tour restricted areas of the airport by bus, view many facilities involved in aircraft operations, and observe aircraft parked on the apron. Additionally, the tour will include a visit to the airport's fire station, where participants can enjoy a facility tour and experience the water discharge from an airport chemical fire truck.

Kansai Airports Group will continue to organize initiatives that bring enjoyable experiences and communicate the attraction of travel and airports to a wider audience.

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport ("KIX") and Osaka International Airport ("ITAMI") from New Kansai International Airport Company ("NKIAC") and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports' wholly-owned subsidiary, took over the operations of Kobe Airport ("KOBE") from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of "One Kansai Airports Group", Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
